

Timeless Design for the Modern Age

Nourison is currently seeking Photo Retoucher located in Calhoun, GA.

JOB SUMMARY:

We are looking for a talented photo retoucher to join our growing creative team located in Calhoun, GA. The photo retoucher will ensure quality, color and image consistency throughout our entire product line photography and be responsible for archiving final image files in our digital asset management system. The right candidate must possess strong experience clipping, retouching and color correcting product images in a deadline driven, high-volume environment.

ESSENTIAL FUNCTIONS:

- Provide detailed retouching, color correction, and delivery of image files within established timelines
- Maintain digital asset organization - file naming conventions, metadata, and tags
- Archiving of final assets in the digital asset management system
- Work in Adobe CS Programs
- Be comfortable in a fast-paced environment and possess the ability to work effectively with team members
- Manage time and resources effectively to handle several projects at once at various stages of completion

Qualifications:

- 3+ years retouching experience working in a high volume studio or agency
- Experience with fashion and/or interior spaces retouching
- Working knowledge of all photographic formats and processing skills, including RAW image files, Photoshop, Bridge, and Capture One
- Experience working with a digital asset management system and/or maintaining a server file structure
- Strong, polished retouching skills and a keen eye and aesthetic
- Photography and/or Graphic Design Experience is a plus
- Expertise in the use of Adobe Creative Suite
- Excellent written, verbal, interpersonal and presentation skills

A portfolio of relevant work is required for consideration.
