

Timeless Design for the Modern Age

Nourison is currently seeking Photographer located in Calhoun, GA.

Nourison's Photographer will be responsible for creating and preparing high quality digital images including product photos, sale support materials, website images, ad photography, and PR and marketing materials. The photographer receives and organizes photo samples, creates and dismantles photo sets (including lighting, props, and set pieces as needed) and shoots photos. Styling of room scenes is also needed. You should possess the ability to work under deadline pressure and be flexible enough to maneuver around changing priorities, maintain a positive attitude, a sense of pride in your work, and a passion for producing high-level photography.

KEY DUTIES & RESPONSIBILITIES:

- Receive, organize, and return product after photo shoot
- Style, light, and photograph all images as requested
- Perform some post production photo retouching and editing
- Install and dismantle all photo sets, store and organize all photo equipment. Lift up to 50lbs.
- Maintain and organize photo props, set pieces, and backgrounds
- Remain current and knowledgeable about cameras, photography, lighting, new software and hardware
- Remain current in the latest trends for home décor and photographing home décor products
- Keep the files and studio neat, clean and organized at all times

EXPERIENCE & SKILLS:

- College Degree in Photography or quantifiable work related experience
- 3-5 years of experience in a studio (product photography experience a real plus)
- Proficiency with Adobe software, Capture One Pro and other photo editing software as needed
- Passion for photography coupled with a strong sense of color, design, composition, and lighting
- Ability to accept and work with feedback from multiple sources
- Must enjoy a fast paced environment with the ability to juggle and

- prioritize multiple assignments
- Experience working with Nikon or Cannon camera gear.
 - Work within a collaborative team environment willing to contribute to the team as needed
 - Strong multi-tasking, organizational, and interpersonal skills
 - Able to demonstrate a strong initiative to contribute new ideas, creativity, and process improvements
